

# STRATEGIC DIRECTION 2025-2026

## **Strategic Goals**

# Ako

(The mind)

To develop highly responsive teaching and learning programmes that promote equity and excellence in learner\* achievement, engagement and wellbeing.

To create a positive learning culture through developing powerful partnerships with parents, students, staff, iwi, community and other stakeholders.

To develop and implement systems and infrastructure that allows for future growth & enables sustainability.

### **Annual Plan Initiatives**

**CURRICULUM DESIGN TEAM:** Design an innovative and responsive curriculum that reflects our vision, values, and key beliefs about teaching and learning, and aligns with the refreshed NZC.

**LITERACY & NUMERACY:** Further Development of the Science of Learning and the explicit teaching model for both literacy and mathematics.

**ELEARNING:** E-Learning tools are used in innovative and authentic ways to enhance, extend & empower our Learners.

**INCLUSIVE LEARNING:** to develop highly responsive learning support programmes (academic, health, behavioural, and mental wellbeing), which have a positive impact on attitudes to learning, social relations and student achievement.

**ATTENDANCE:** to develop a targeted action plan to increase student attendance to at least 75% regularly attending each term.

**COMMUNICATING LEARNING:** To provide timely feedback and information regarding student learning

#### **CULTURAL RELATIONSHIPS FOR RESPONSIVE**

**PEDAGOGY #1:** To develop culturally responsive practices that value diversity; and validates culture, language and identity, with an emphasis on Te Ao Māori & Tainuitanga.

#### **CULTURAL RELATIONSHIPS FOR RESPONSIVE**

**PEDAGOGY #2:** To recognise, celebrate and value the multicultural nature of our school.

**COMMUNITY PARTNERSHIPS:** To build effective partnerships and relationships with other schools, agencies and organisations within the community. **STAFF CULTURE & WELLBEING:** To maintain a

positive staff culture, built on high levels of trust, respect and fun!

**INTERNATIONAL STUDENT PROGRAMME:** To develop a programme to international include students for both short and long term that supports learning for all.

**PERSONNEL:** To ensure personnel resources are adequately addressing the current needs; demonstrating an awareness of future growth and development expectations.

**COMMUNITY:** To ensure we develop and sustain powerful partnerships with our community.

**RESOURCING:** To ensure finance/property resources meet both the short-term and long-term needs of the school.
