HERO App for School

How do we

COMMUNICATE WITH FAMILIES?

Hero is the one place you can access all communication from school. If you don't already, download the Hero app, from your App Store.

Features & FUNCTIONS

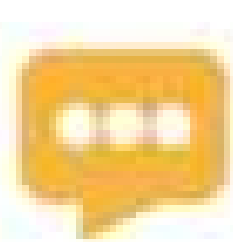

You can access each of your children's learning by clicking on their faces.

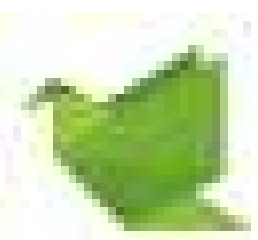

This takes you directly to their latest Report where you can see their progress in Maths, Writing and Reading. Use the drop down menu to navigate to their *Celebrating Learning* Page, their Report or the Parent Page where you are able to share stories with us.

Term Dates and **Events** will give you up-to-date information to plan ahead

If your child is going to be away or coming in late, **Report an Absence** and you child's teacher will be informed directly.

'**Hail**' is how we share our fortnightly school newsletter. This link will take you directly to the latest news.

School Shop

Our '**School Shop**' is Kindo. This is how we manage all payments at school. This includes school fees and donations, uniform purchases, school trip payments and Friday lunch orders. (see below for more information)

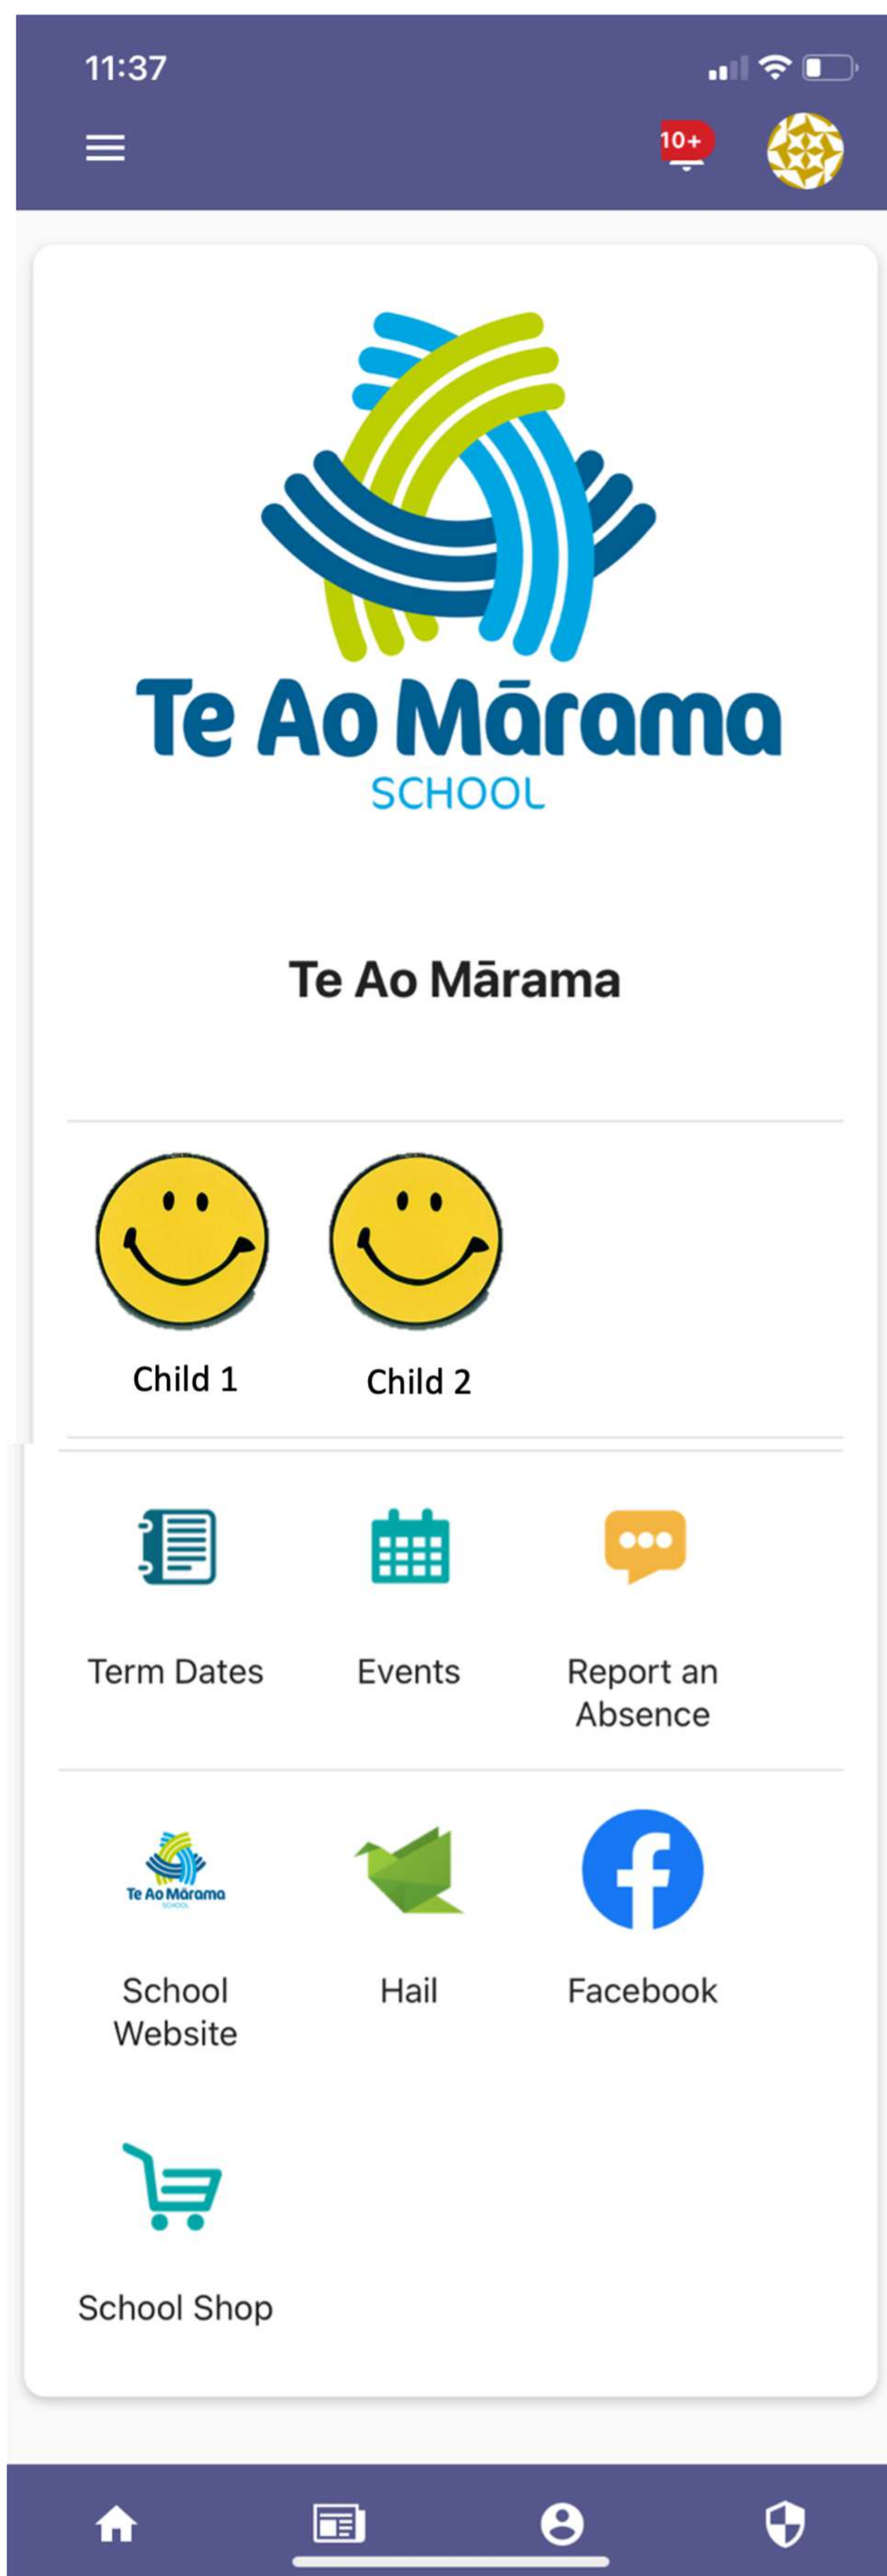

School Payment
