

KĀHU RUA TERM THREE 2024

“Mā te huruhuru ka rere te manu”

Creating opportunities for our learners to soar

Kāhu

Helpful Information

- We are finding that most children are needing a pencil top up! If you could please check with your child and purchase a few pencils (if needed) to send to school this would be very helpful! 
- We will be training for our Fun Run during class time. Please send your child to school with the appropriate clothing and footwear. 
- As the weather can be wet in Term 3, a spare change of clothes is needed. Please have this named. 
- Please encourage your child to ALWAYS bring their device home at the end of the day and bring it to school fully charged! 

Term 3 Learning

Maths: Proportions and Ratios. At home please keep encouraging your children to learn their multiplication and division facts!

Place and Environment: We will be learning about water, ecosystems, habitats and pollution. Our literacy (reading and writing) programme will heavily influenced by this theme.

Keeping Active: Fitness and Run, Jump, Throw focuses.
