Kaiako

Kia ora e te whānau

Ko Lucy toku ingoa

I am super excited to be your kaiako for 2024.

I love being outdoors, playing sports, being with family and friends and spending time at the beach.

I look forward to meeting you and starting the fun adventure we will share together this year.

Nau mai haere mai!

Originally from Palmerston North I have lived in Hamilton for a few years now, renovating my first home with my hubby.

I am passionate about celebrating the differences each learner brings and empowering them to be the best version of themselves. I love being active, spending time with friends and the beach.

We are lucky to have some amazing kaiako to help support our tamariki with English language learning, numeracy and literacy learning.
